## 17. FEES

- 17.1. The Act provides for two types of fees, namely:
- a) A request fee, which will be a standard fee; and
  - b) An access fee, which must be calculated by taking into account reproduction costs, search and preparation time and cost, as well as postal costs.
- 17.2. When the request is received by the Information Officer, he/she shall, by notice, require the requester, other than a personal requester, to pay the prescribed request fee (if any), before further processing of the request.

17.3. If the search for the record has been made and the preparation of the record for disclosure, including arrangement to make it available in the requested form, requires more than the hours prescribed in the regulations for this purpose, the Information Officer shall notify the requester to pay as a deposit the prescribed portion of the access fee which would be payable if the request is granted. The Information Officer shall withhold a record until the requester has paid the fees.

17.4. A requester whose request for access to a record has been granted, must pay an access fee for reproduction and for search and preparation, and for any time reasonably required in excess of the prescribed hours to search for and prepare the record for disclosure including making arrangements to make it available in the requested form.

17.5. If a deposit has been paid in respect of a request for access, which is refused, then the Information Officer concerned must repay the deposit to the requester.

18.2. The 30-day period with which SEDFA has to decide whether to grant or refuse the request, may be extended for a further period of not more than 30 days if the request is for a large amount of information, or the request requires a search for information held at another office of SEDFA and the information cannot reasonably be obtained within the original 30-day period. SEDFA will notify the requester in writing should an extension become necessary.

## 19. REMEDIES FOR NON-COMPLIANCE WITH THE ACT

- 19.1. Any requester who is dissatisfied with any decision of SEDFA in respect of a request for access to a record of SEDFA can either lodge an internal appeal to SEDFA or approach the High Court or another court of similar status to seek redress.
